The seven-heat free-for-all trot which B. C. Holly's Pink captured at Butte yesterday, was one of the greatest races ever witnessed in Montana. The time throughout averaged 2:23. It was a great race and a pile of money went up on it. After the fifth heat Senator was drawn after selling strong as a favorite as high as \$227, with \$150 for Condee and Pink went for \$55. This pool was worth about \$400 to the buyer of Pink.

Sixth Ward school house this evening. A cordial invitation is extended to all to attend.

Rev. E. A. Skogsbergh, of Minneapolis, will hold the services in Mings opera house today owing to the fact that it was not possible to get Dr. Waldenstroin, who was on the east bound train last evening, to stay over.

This pool was worth about \$400 to the buyer of Pink.

The race for the Eclipse stakes at Westchester yesterday, which was won by Theo. Winter's El Rio Rey, classes that colt as the greatest two-year-old of the year. There were nineteen starters and every colt was a good one, Torso, Onaway and Padishah each having won events this year. Protection, winner of the Junior Champion stakes, was not in, and it is doubtful if he could have won. El Rio's performance yesterday made his owner \$30,000 richer.

\$30,000 richer.
Epstein & Dunn's turf exchange, in the Atlas, was crowded all day yesterday, but the betting was light. They raked in most of their day's earnings on the Eclipse stakes race. El Rio Rey was the favorite, with Torso, Onaway and Padishah in the order named. Seven to five was paid on El Rio Rey, eight to one on Torso, and the balance at ten to one.

Davidson, chairman of the the executive committee, that holder has been in attendance at the convention, return tickets will ance at the convention.

wm. Taylor at the ticker in the turf exchange announces the race as it progresses and the crowd pushes to the front just as excitedly as though they were witnessing the race. This is the way a race is described: "At the post; they're off; Bradshaw two lengths shead; Senator running; Bradshaw takes the quarter; Condee coming; Condee going fast; Tramp S. and Senator coming. Bradshaw at the three-eighths; Condee and Bradshaw together; all bunched."

An extra first-class coach for the accommodation of delegates and their friends ing. Bradshaw at the three-eighths; Condee and Bradshaw together; all bunched; Condee takes the half, Senator coming; Bradshaw leads, takes the three-quarter; in the stretch; all bunched; Bradshaw breaks; Senator leading, Pink second; Condee coming fast; Bradshaw gaining; Senator falls back; Condee ahead; Condee wins, Bradshaw second, Pink third." This is the way the race is described by telegraph and the crowd seems to thoroughly enjoy it. When crowd seems to thoroughly enjoy it. The Northern Pacific spur built from Paradise station for the accommodation of the company is 2,000 feet long, and when first built extended to the river, but the water is rapidly falling away, and an additional 200 feet is to be added. When the river is at its height, the track will extend into the water quite a distance. The ore is hauled eleven miles by wagons from the mine to eleven miles by wagons from the mine to

To-morrow begins the twentieth annual exhibition and racing meeting of the Montana Agricultural, Mineral and Mechanical Association. The meeting will be exeptionally attractive as Secretary Pope has been untiring in his efforts to make it so. Not the least important feature of the meeting will be exeptionally attractive as Secretary Pope has been untiring in his efforts to make it so. Not the least important feature of the meeting will be the fair. All day long yesterday a score of Helena ladies were busy as bees decorating the floral hall which is now fixed up in elaborate style and is much prettier than any previous exhibition of flowers. The bench show of dogs will have at least 100 entries of as fine a selection of man's friend as is owned in the territory.

The races, too, will be par excellence and the management has determined to have all events contested on their merits. The Interest of the man any previous excellence and the management has determined to have all events contested on their merits. The Best at Bottom Prices. Mr. Flegelman, the buyer of the New begins to plunge until the horses are at the post for the next heat.

In Helena yesterday, Senator sold a strong favorite, and later equal with Conbeen in the market for the past month, and Nevada is in her best form this season, and is taking in many purses for her owners, Messrs. Baker and Kirkendall. In every race she enters she sells favorite and does not disappoint her backers. At Butte yesterday, with 128 pounds up she took the mile and repeat race in 1:47% and 1:43%. Nevada seems to have everything her own way this year.

Senator made a good struggle at Butte yesterday in the free for all, but his company was too fine. Mr. Holly herded them all to defeat with Pink and then took three heats as he pleased.

McLEAN This splendidly situated residence property is located just onehalf mile from the Helena city limits, and the new Motor line, URINARY and RECTAL DISEASES for which a franchise has been obtained and the construction already commenced, will run to and past this plat, thus giving buyers easy access to and from the business portion of Helena, at the same time avoiding the onerous taxes imposed on city property while enjoying all the privileges. Good water is easily ob-

tainable, and a project is now on foot to supply the city water past this property. The college now in course of erection is two and one-half miles north of these lots and there is no doubt that in the very near future McLean Park will be one of the most favored of our suburban residence locations. Now is the time to invest, for the buyers will make their own prices, as every lot will go, without reserve, to the highest bidder. The terms will be made exceedingly liberal. Plans of the
